

**Curt Cloninger**

Preparing for this talk/performance tonight. Sub-titled: "Telling How To Show / Showing How To Tell." (Secretly-sub-titled: "My perverse art practice and its mystico-erotic, sado-masochistic affair(s) with language.")

 **Jon Cates** safeWord = false;  
3 hours ago · Like

 **Curt Cloninger** Even in that programmatic expression ("safeWord = false;"), we could read "false" as the safe word (like making "don't stop" the safe word). "there is no safe word" is the secret subtitle of every text Derrida ever wrote.
